*Journey to the
Beauty Discovery*

"Toner is best used after double cleansing because it helps cleanse the skin from any residual impurities, leaving the skin refreshed and perfectly prepped for your subsequent skincare routine. It can help close pores and tighten cell gaps after cleansing, thus reducing the penetration of impurities and environmental contaminants into the skin."

INTENSIVE TONER

Toners are the next important step after cleansing. It effectively hydrates and brightens skin. At the same time, it softens skin and enhances the absorption of subsequent skin care products.

LA'SOULGOLD Intensive Toner boosted with plants extracts, vitamins and Sodium Hyaluronate, it is also rich in anti-oxidants and helps protect skin against harmful free radical and environmental damage. Restores your skin's optimum pH balance for more radiant, glow and youthful looking skin.
